

Go Fish - Official Rules

Objective: Collect the most sets of four matching cards.

Setup:

- Use a standard 52-card deck.
- 2 Players: deal 7 cards each.
- 3-6 Players: deal 5 cards each.
- Place the rest of the cards face-down as the draw pile.

How to Play:

- 1. On your turn, ask a player for a card rank you already have in your hand.
- 2. If the player has the card(s), they must give all copies to you. You continue your turn.
- 3. If they do not have the rank, they say "Go Fish," and you draw from the deck.
- 4. If the drawn card is the rank you asked for, you take another turn. If not, your turn ends.

Making Sets:

- When you collect all four of a rank, place the set down in front of you.

Running Out of Cards:

- If your hand becomes empty, draw 5 new cards (or as many as remain).

Winning:

- The game ends when no cards remain and no sets can be formed.
- The player with the most completed sets wins.
